Acadia Rehabilitation, LLC

Acadia Rehabilitation is a
Medicare Part A & B State of
Arizona Certified Outpatient Treatment
Center through the Department of
Public Health and now A Certified
C.O.R.F.!

A Comprehensive Outpatient
Rehabilitation Facility for
Medicare Part A and Certified.

We are required to meet high
levels of professional standards of
patient care and safety, cleanliness of
facility and equipment, and
comprehensive physical therapy
modalities.

Our Mission and Goals are to offer a
facility that your 'primary care
physician' can send you to before or
after medicine or surgery has taken
place.

We work in conjunction with your
physician to help improve your health
condition. We get referrals from
physicians often and have helped their
patients successfully rehabilitate.
